PEER-TO-PEER REVIEW PROGRAM

AngioDynamics now offers a robust peer-to-peer review program that utilizes the knowledge of our experienced KOLs (Key Opinion Leaders) to help educate inquiring physicians. Topics for these discussions can range from clinical study involvement to patient selection using Irreversible Electroporation (IRE) technology.

If you are interested in our peer-to-peer review program, please review the steps on the back of this page and contact the Medical Affairs Team at MedicalAffairs@AngioDynamics.com.

HOW IT WORKS

The Purpose

The purpose of this document is to educate on the peer-to-peer program and to outline ways a peer-to-peer review can be utilized.

01

PROVIDE TOPICS

Requesting physician will provide topics to be discussed via the peer-to-peer review. Examples include: DIRECT Study, Patient Selection, Program Development, etc.

CONTACT US
